

Unleash the power within you

"Kelly Howell is a masterful guide in helping to integrate body, mind, and spirit."

– Larry Dossey, MD, Author, "The Extraordinary Healing Power of Ordinary Things"

The *Secret Universal Mind Meditation* imparts the sacred truth spiritual masters have taught for millennia. The Secret is real and powerful. And it will change you. It starts by changing your belief system, slowly, subtly and gently while you sleep. As you are lulled into blissful slumber, The Secret is whispered into your ears – first audibly, and then just below the level of consciousness. Over days and weeks to come, your conscious and subconscious mind will accept The Secret as true. Without knowing how or why, everything you need and desire will come to you through the great Law of Attraction. And there's nothing that you need to do except listen.

When you know The Secret, you have key to everything: **vibrant health, wealth and happiness.**
